## Objectives

To find a very challenging and highly motivating working environment to apply and sharpen my skills in design.

## Education

Ontario College of Art and Design - BFA Integrated Media

## Skills

Highly proficient in motion graphics, web/graphics design, 3d animation, video editing, Flash animation and digital photography.

High proficient in 3d Studio Max, After Effects, Sony Vegas, Adobe Photoshop, Illustrator, Flash, Premiere, VUE, Cinema 4d, and Dreamweaver

## Experience

### Motion Graphics Designer | Artisan Complete

#### November 2007 - Present

- Responsible for producing award winning Digital Signage content for local and international clients.
- Produced digital content that won awards at the OMA Awards, POPAI's (Global Association for Marketing at-Retail) awards ceremony.
- Responsible for creating high-quality 3d models for retail displays and presentations.

### Web Designer | Sullivan Entertainment

#### July 2007 – November 2007

- Lead Web Designer for Sullivan movies like Anne of Green Gables and Magic Flute Diary.
- Also helped in compositing backgrounds for the new Anne of Green Gables.

## **Freelance | Hybrid Media Studios**

**April 2004 – July 2007**

-Worked directly with international and local clients in producing websites, corporate branding, motion graphics, digital signage, graphic design and 3d animation.
